Terms and Conditions

Our General Terms and Conditions will apply unless there is a stipulation in these Product Terms and Conditions that is inconsistent. If this is the case, the stipulation in these Product Terms and Conditions applies instead. These Product Terms and Conditions are effective from the date you open the account.

- 1 Your account is a variable rate Easy Access savings account.
- 2 The minimum investment you can make to open your account is £1. The maximum investment is £150,000, plus resulting interest, subject to condition 3 and 4.
- 3 You must at all times maintain a balance of between £1 and £150,000 plus any resulting interest in the account. If your balance falls below £1 we will close your account and return any funds to your nominated account. We will also return excess funds to your nominated account if your balance exceeds £150,000 plus resulting interest.
- 4 There is no limit to the number of Easy Access savings accounts you can hold with Paragon Bank. However the total balances held across all of your Easy Access savings accounts cannot exceed £150,000 plus any interest paid.
- 5 Once your account is open and you have made your opening payment you can make unlimited additional deposits or withdrawals into your account without notice or penalty. This is subject to maintaining the minimum and maximum balances outlined in condition 3 and 4.
- 6 Your account is a limited issue and may be withdrawn at any time. We will not inform you when the account becomes a closed issue.
- 7 Your interest is calculated daily and paid monthly or yearly. If you choose to receive monthly interest, we will pay it on the day of the month that you made your opening payment into your account. If you choose to receive annual interest, we will pay it on the anniversary of the date that you made your opening payment into your account. See section 5 of the General Terms and Conditions for full details.
- 8 Your interest can be paid into your account, to another account you hold with Paragon Bank (subject to the Product Terms and Conditions of that account), or to the nominated account you have set up.

We do not pay interest into your nominated account if it is less than £1. Instead, the amount will be accrued on your account and we will pay it once the cumulative interest you have earned is more than £1.

Details are correct for accounts opened from 21 October 2016.
