

TARIFF OF MORTGAGE CHARGES

Effective from 25 June 2024

Paragon is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Before your first monthly payment

These are the fees and charges you may have to pay before we transfer your mortgage funds.

Name of charge	What is this charge for?	How much is the charge?
Application fee	Assessing and processing your application (even if your application is unsuccessful or you withdraw it).	£299
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£25
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Product specific, please refer to the Product Guide
Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your property, this covers the new valuation we need to do after the work's carried out.	£90
Valuation fee	The lender's valuation report, which is used to calculate how much it will lend you. This is separate from any valuation or survey of the property you might want to commission. There are other homebuyers or structural survey options available to you at a cost and there may be different approaches in different parts of the UK. Some mortgages offer free valuations - the product details for your mortgage will tell you if this is the case.	Variable depending on the purchase price or remortgage estimated valuation

If you change your mortgage

If you change to a new mortgage product, the 'before your first monthly payment' fees may also apply at this stage.

Early repayment charge (changing your mortgage)	You may have to pay this if: - You overpay more than your mortgage terms allow; - You switch mortgage product or lender during a special rate period (eg while you're on a fixed rate or tracker interest rate).	Product specific, please refer to the Product Guide
Re-valuation fee	If your mortgage is amended and re-valuation of the property is required.	£90

If you are unable to pay your mortgage

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid / returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to our repossession of the property, may apply later in the process and will be dependant on your circumstances.
