Use of your information

In considering your application we will search your records at one or more Credit Reference Agencies. They will add to your records details of our search and your application and this will be seen by other organisations that make searches. We may use a credit scoring or other automated decision-making system when assessing your application. We will also add to your record with the Credit Reference Agencies details of your agreement with us, any default or failure to keep to its terms and any address you fail to tell us about where a payment is overdue. It is important you give us accurate information. If false or inaccurate information is provided and fraud is identified, details will be passed to Fraud Prevention and Credit Reference Agencies to prevent fraud and money laundering.
