Securitisation

You confirm that we may transfer or securitise any mortgage or guarantee that you may have with us. You understand that securitisation typically involves us transferring all or some of the rights and duties that go with the mortgage or guarantee to an investor who normally asks us to carry on administering them as though our own. So that, for example, following securitisation we would normally continue to collect payments and should you experience any difficulties in making payments, or have any queries, you should contact us.

Your data – Our promise

Paragon knows that your personal data belongs to you and not us. That's why when you, or a third party, share your personal data with us we make sure that we keep it private and safe.

We use your personal data to decide whether you're eligible for a Paragon product, to administer your account and for a variety of other reasons but sometimes it may lead to us refusing to provide, or continue to provide, you with a product or service.

Your information may be transferred to and stored in locations outside the UK and European Economic Area (EEA), including countries that may not have the same level of protection for personal information. When we do this, we'll ensure it has an appropriate level of protection and that the transfer is lawful. We may need to transfer your information in this way to carry out our contract with you, to fulfil a legal obligation, to protect the public interest and/or for our legitimate interests.

To ensure that your personal data does receive an adequate level of protection, we have put in place approved standard contractual clauses which constitute appropriate measures to ensure that your personal data is treated by those third parties in a way that is consistent with and which represents the EU and UK laws on data protection.

If you are an Expatriate, due to the nature of the product you have chosen, a set of transfers of your personal information to countries outside the UK may be required. Our lawful basis for these transfers are because they are necessary to implement precontractual measures and for the performance of a contract between you and Paragon. We also share your information with a number of third parties.

You have the right to know how we, and the fraud prevention agencies, will use your information. The personal information we collect from you will be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment. Your information will also be shared with credit reference agencies (CRAs) to carry out credit checks and record details of your repayment history.

In considering your application we will search your personal and, where applicable, business record at one or more CRA's. They will add to your records details of our search and your application and this will be seen by other organisations that make searches. Information held about you by the CRA's may already be linked to records relating to one or more of your partners. For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any 'associated' records.

If you are a joint applicant or if you have told us of some other financial association with another person, you must be sure that you are entitled to;

- Disclose information about your joint applicant and anyone referred to by you
- Authorise us to search, link or record information at CRA's about you and anyone referred to by you

An 'association' between joint applicants and between you and anyone you tell us is your financial partner will be created at the CRA's. This will link your financial records, each of which will be taken into account in all future applications by either, or both of you. This will continue until one of you successfully files a disassociation at the CRA's.

We will/may use a credit scoring or other automated decision-making system when assessing your application. You have the right to obtain human intervention on the part of the controller to express his or her point of view and to contest the decision.

DECLARATION

We will also add to your personal and, where applicable, business record with one or more of the CRA's details of your agreement with us, the payment you make under it, any default or failure to keep to its terms and any change of address you fail to tell us about where a payment is overdue. These records will be shared with other organisations and used by us and them to trace debtors, recover debt and to manage your account or insurance policies.

We may make periodic searches at CRA's and fraud prevention agencies to manage your account with us.

If you are a director, we will seek confirmation from CRA's that the residential address that you provide is the same as that shown on the restricted register of directors' usual addresses at Companies House.

Information on applications will be sent to CRA's and will be recorded by them including information on your business and its proprietors and CRA's may create a record of the name and address of your business and its proprietors if there is not one already. The CRA's have drafted a notice called 'Credit Reference Agency Information Notice' (CRAIN) which sets out how your data will be processed by Callcredit (now trading as TransUnion), Equifax and Experian. Please go to <https://www.equifax.co.uk/crain.html>, <https://www.callcredit.co.uk/crain> or <http://www.experian.co.uk/crain/index.html> to read the notice in full.

Further details of how your information will be used by us, the CRA's, fraud prevention agencies, and your data protection rights, can be found on <https://www.paragonbank.co.uk/data-protection>, calling **0800 375 720** or by contacting us.

We may also use the information we hold about you to inform you of products and services which are similar to the ones you currently hold with us which we believe will be of interest to you, and for statistical and analytical purposes.

We will only keep your personal data for as long as we need it and you have a right to ask for a copy of the personal data we hold about you.

If the personal data we hold is incorrect you have a right to ask for it to be corrected and, if you believe that we no longer have a reason to keep your personal data, you have a right to ask for it to be deleted.

For lots more information on what we do with your personal data, why we do it and what rights you have over that data, including how to make a complaint to the ICO, visit <https://www.paragonbank.co.uk/data-protection> or contact us.

All applicants/guarantors to the mortgage are required to sign the following section. To forge a signature makes you liable to criminal prosecution.
