Effective from 11 August 2023

This document contains important information about your cash ISA. You should read this document and our General Terms and Conditions carefully so you can be sure the account is right for you.

Account summary

Account name	Triple Access Cash ISA - Issue 14							
What is the interest rate?	Up to 3 withdrawals				4 or more withdrawals			
	Annual interest		Monthly interest		Annual interest		Monthly interest	
	AER*	Gross**	AER*	Gross**	AER*	Gross**	AER*	Gross**
	4.25%	4.25%	4.25%	4.17%	1.50%	1.50%	1.50%	1.49%
	<p>When will you get the lower interest rate?</p> <p>The lower interest rate will apply from your fourth withdrawal to the day before the anniversary of your account opening. From your anniversary your interest rate and withdrawals reset. So, you will have three more withdrawals before the rate reduces.</p> <p><small>*AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded on an annual basis. **Gross is the rate of interest payable before any income tax is deducted.</small></p> <p><small>Interest will be paid monthly on the day of the month you first paid into your account or annually on the anniversary of making your opening deposit.</small></p>							
Can Paragon change the interest rate?	The interest rate is variable. If we increase the interest rate on your account, we'll let you know as soon as possible, this can be after the new rate is effective. If we reduce the interest rate we'll notify you 14 days ahead of the change. See the General Terms and Conditions for more information.							
What would the estimated balance be after 12 months based on a £1,000 deposit?	0 withdrawals				4 withdrawals			
	Deposit at account opening		Balance after 12 months		Deposit at account opening		Balance after 12 months	
	£1,000.00		£1,042.50		£1,000.00		£981.12	
<p><small>The example for 0 withdrawals assumes no further deposits or withdrawals are made. The example for 4 withdrawals assumes £10 a month is withdrawn on the 1st of the month for the first four months. (The higher interest rate will be applied until the fourth withdrawal, at which point the lower interest rate will be applied). Both examples assume the interest rates don't vary and interest earned is paid to this account annually. The estimated balances are based on the annual gross interest rates.</small></p> <p><small>These are for illustrative purposes only and do not take into account individual circumstances.</small></p>								
How do I open and manage my account?	Online. Minimum opening deposit £1. Minimum balance £1 up to a maximum of £500,000 (plus any resulting interest). Account holders must be aged 18 or over and a UK resident for tax purposes.							
Can I withdraw money?	<p>Yes, you can make up to three withdrawals from this account at the higher interest rate, four or more withdrawals will mean the rate will be lowered from the date of your fourth withdrawal until the day before the anniversary of your opening deposit. The interest rate and withdrawals will reset to the higher rate, applicable at the time, on the anniversary of your opening deposit. You'll be able to make up to three withdrawals before the rate decreases to the lower rate, applicable at the time.</p> <p>This is a Flexible ISA so any funds withdrawn will be added back to your ISA allowance. You then have the option of reinvesting this in another ISA within the same tax year, as long as you don't exceed your annual ISA allowance and subject to HMRC guidelines.</p>							
Additional information	<p>Make your opening deposit by electronic bank transfer, cheque or transferring existing ISAs within 28 days of your application, or your Paragon ISA will be closed and you'll need to complete a new application. If you're transferring an ISA from another provider and it takes longer than 28 days, it will still be processed and your ISA will stay open. All cheques and electronic bank transfers must come from your nominated bank account which must be in the name of the ISA holder.</p> <p>You can make unlimited additional deposits and ISA transfers, subject to your annual ISA allowance. If you change your mind you can close this ISA within 14 days of your opening deposit. Any ISA closed in this way won't count as an ISA subscription.</p> <p>We allow you to spread your ISA allowance across multiple ISAs. Subject to HMRC guidance and not exceeding your annual ISA allowance.</p>							

Terms and Conditions

If this is the case, the stipulation in these Product Terms and Conditions applies instead. These Product Terms and Conditions are effective from the date you open the account.

1. Your account is a variable rate Triple Access Cash ISA.
2. The account can be held in a single name only.

The interest rate and withdrawals will reset to the higher rate, applicable at the time, on the anniversary of your opening deposit. 9. Your interest is calculated daily and paid monthly or yearly. If you choose to receive monthly interest, we will pay it on the day of the month that you made your opening deposit into your account.
